Fall Semester Courses Begin August 28 Suitable for High School Students

Depending on availability, high school students can take college courses online or at Helena College, offered at times convenient for juniors and seniors. These courses are required in several Career Pathways and are scheduled August 28 through December 16. Students should register as soon as possible. **High school students pay half tuition for College Credit Only or Dual Credit.**

General Education Courses

- ◆ *These courses fulfill requirements in several college programs, such as Associates of Arts or Sciences, which can be transferred as a block to the four-year programs of the Montana University System.*
- ◆ *The General Education Core Curriculum includes 6 credits in Natural Sciences, 3 credits in Mathematics, 3 credits in Written Communications, 3 credits in Oral Communications, 6 credits in Social & Psychological Sciences/History, 6 credits in Humanities/Fine Arts, and 3 credits in Cultural Diversity.*
- ◆ *Several College Writing, Literature and Mathematics courses are also offered as dual enrollment at high schools and at Helena College or online (check online schedule).*

General Education Courses generally transfer to other Montana colleges.

Courses that Apply to Specific Pathways

Helena College has 45 career pathways with 8 high schools, and in 2015-16 offered 65 dual enrollment courses in those high schools, with 575 students enrolled. In 2015-16, 35 high school students earned college credit at Helena College.

More high school students may be able to take advantage of this opportunity to earn college credit on campus or online, saving tuition dollars and getting a head start on their college degrees!

Visit umhelena.edu
or call 447-6900.

Pathways are posted on the Helena College website:
http://www.umhelena.edu/admissions_enrollment/careerpathways.aspx.
