Roll Call **President:** Christian Arp **Business Manager:** Shawn Palmer **Staff Advisor:** Ben Nickol
Quorum has not been met. Meeting called to order at 12:02pm

Attendees (Senators in BOLD) – Josh Mostad , Austin Steiner, Lon Albers. *Attendance will not be recorded for this unofficial meeting*

General Discussion

Scholarship Committee – choices were made by consensus between 3 judges; each applicant showed academic need. Issue with committee: no guidelines/process. Karina Moulton has a rubric to outline process in evaluating applications for SGA scholarships. Most applicants shared a personal connection to judges, ergo they could not be voted on by a partial judge. Possibility of hiring out an impartial 3rd-party judge. Need bigger committee to judge. Rubric = less conflict of interest. Lon Albers will work with Karina Moulton to establish rubric for next semester; this will count towards Lon's requirement for senator pay - committee

Question, Persuade, Refer (QPR) – January 28th 1-4pm in the lecture hall, suicide prevention training open to everyone

Christian Arp motioned to adjourn, Josh Mostad seconded. Motioned passed at 12:21pm

No more meetings this Fall semester! Thank you everyone.
