Announcements

Spring social has been cancelled due to a lack of chaperone volunteers and time constraints.

Executive elections are right around the corner. Please if you have any interest enter an application for student government positions. Article 5 section 4 of the constitution elaborates on the Executive member's duties.

General Discussion:

Angela McArdle asks if we could propose changes to the quiet area for students. There is bad lighting and charging stations are inconvenient or nonexistent. We are all wondering if this is part of the schools responsibility to maintain or if SGA can vote to improve this beneficial quiet lab? Vote on proposal next week if Angela would like.

Some clarification of senate member responsibilities and qualifications is needed. It seems to the group that a letter of recommendation or membership to a club is required to sit on the Student Senate.

Paul Kalgaard Motions to adjourn the meeting and Angela McArdle seconds the motion.

Motion passes unanimously.

Meeting adjourned at 12:54pm..... **Next meeting(4/20/15) is at the Airport campus!**
