## UMH Strategic Plan

The compiled UMH Strategic Plan document was reviewed and determined that objectives (4- 5 ideas), strategies, and indicators need to be incorporated in this overall plan. We need to have a broad enough plan that can be expanded upon and used for the next five years.

- **Action Item: We need to submit all our revised documents to Mike Brown and we will review them in our next meeting.**

## Adult Friendly Institutional Self-Assessment Survey

We are in the process of methodically answering each question as a whole in this survey. The first two pages of questions were supplied by Registration and Human Resources.

- **Action Item: We will start with question 35 (Faculty Recruitment and Development) on this survey in our next meeting.**

Meeting Dismissed at 5:00
