- I. **Gender Inclusive Restroom Position Statement:** Statement has been revised to include more research to back up the proposal, as well as more information about which restrooms on each campus to convert. AP already has two single-stall bathrooms that will be easy to convert to gender inclusive facilities. DON 127 (men's room near library) has been identified as the first space to convert to a gender inclusive restroom. Long-term plans may involve conversion of DON 128.
 - a. Will be presented at Staff Senate on 11/14.
 - b. Will be presented at Dean's Cabinet on 11/29. What to do if the Cabinet doesn't move forward with proposal? No official strategy yet.
 - II. **Fry Bread** tomorrow, 11/14.
 - III. **Mike Jetty** speaking about racist college mascots on 11/28.
