---

**Round Table**

-Jan

- Just had an even for the Health sciences that makes a connection from the college to the high school students.
- There are now 8 pathways
- Upcoming event is Women in Gear on Saturday. Last year there were 70 students, this year they only have 10. They extended the deadline for students to apply

-Mike

- October 19<sup>th</sup> he has the International Accreditation coming out.
- They might have a piolet program for student residency in Park County starting in January
- They now have Jeff Johnson who is the Missoula Coordinator
- They are wanting to add a Medical Responder course
- On the 14<sup>th</sup> and 15<sup>th</sup> they are having an arson investigator
- Talked about possibly having fire extinguisher training
- Proposed new pathway of Advance EMT. It would give articulation with Colorado and Fairbanks.

- Della

- They now have 16 iPads for students to use, but not quite yet
- The Airport library is doing well. They have been giving library instruction
- The Big Read is on the 23<sup>rd</sup> at Noon in the lecture hall

-Robyn

- They are getting ready for the General Education program review, and are going to be contacting faculty
- The schedule is almost complete, but it still can change.
- They are searching for instructors for some classes. They just hired a new art instructor.

- Mary

- They are working on the new software for scheduling rooms
- Study abroad is filling up very fast, but there are still a few slots
- They are having some Department of Revenue training, as well as training on the new software

- Sandy

- They are trying to see if the new Health Science Building is in line with TAACCCT grant. The building would house all of the health care.
- They are in the process of trying to hire adjuncts and a lab tech for simulation training.
- Heard about new simulation equipment

- There was the MNA conference where Sandy was recognized
- Chad
  - Wondering about Course Evaluations this Semester. Hayley is already almost finished with them.
  - Questions about the testing center and proctoring. Robyn and Hayley are working on new procedures.
  - The new CBE was approved
  - Discussed the Coca Cola scholarship to see if we had any students who would qualify
  - Might have a new Childhood Education Program
  - The CBA in Human Services was approved

#### **Deliverables**

- New meeting time: Every other Friday 9:00-10:30 starting the 23<sup>rd</sup>
- The agenda will be sent out Wednesday before the meeting
- Possible to do shared readings
- Trying to get a "Thank You" for Interface Carpet for their donation of carpet
