Minutes from March 25, 2014 were reviewed and accepted.

Reminded the committee of the Luau at the Airport Campus, April 17th. Those who volunteered to help include: Tammy Steckler, Julie Adams, Joanne Johnson, Rick Henry and Elizabeth Stearns Sims.

Discussion continued regarding the purpose of the committee with the implementation of the Retention Committee.
- The committee will NOT be a social committee;
- More members need to participate, regardless of the scope and action;
- The committee with assist Student Affairs with large planning activities/events.
- Discussion followed regarding the challenges of this year and the ‘whys’ for lack of institutional participation in student functions.

The committee with determine goals for next year before the conclusion of this academic year.
- The committee will determine the theme for New Student Orientation;
- There will be three goals established for next year;
- Members of the committee will develop and implement their own interests with the support from the committee.

The next meeting: April 29th, 2014, 3:30 pm in Lecture Hall
- Please come with three orientation themes and three goals/projects for next year.
- If you can’t attend, please send me your thoughts!
