

Boeing Access to Education Scholarship

Six scholarships for \$1,000 each will be awarded to **incoming and current skilled trade students** enrolled at Helena College University of Montana. Scholarship will be applied to the **Fall 2024 semester**. **Preference will be given to students enrolled in the Aviation Maintenance Technology, CNC Machining or Machine Tool Technology programs.** Eligible programs include:

- Automotive Technology
- Aviation Maintenance Technology
- CNC Machining
- Computer Technology
- Diesel Technology
- Metals Technology
- Machine Tool Technology
- Welding Technology

Selection Criteria:

1. Status as an underrepresented or economically disadvantaged student determined by the Free Application for Federal Student Aid (FAFSA).
2. Enrollment at Helena College in one of the above trade programs.
3. Must have and/or maintain a cumulative GPA of 3.0 or higher and demonstrate excellent leadership and communication skills.
4. Expressed interest in aerospace or cyber security careers.

Application Process:

Please include:

- This application coversheet,
- A typed personal essay,
 - The essay should include an explanation of your career goals, work experience, work ethic, attendance, grades and out of school activities (i.e., community service).
- An instructor evaluation form (attached),
 - Please have your instructor place their evaluation form in a sealed envelope to enclose with your application packet.
- A letter of recommendation from a current/previous employer or a community member.

Submit these forms to the Financial Aid Office at Helena College, 1115 North Roberts Street, Helena, MT 59601 by **5pm on March 29th, 2024.**

Scholarship winners will be encouraged to participate in summer internship opportunities offered by Boeing. Scheduled events for the spring in which scholarship recipients are expected to participate will include a "Careers in Aerospace" event and a "Scholars Dinner" with local/regional Boeing representatives.
