- Chapter 34 – The old GI Bill is available to veterans who entered active duty before July 1, 1985.

The Veterans Administration expects veterans to make satisfactory academic progress and pursue a final objective. All veterans and eligible persons receiving benefits are required to report promptly when they drop or add courses, or withdraw completely.

Higher Education Assistance (HEA) and Tribal Grants
Native American students may be eligible for need-based grants from the HEA or the student’s tribe. For more information, students should contact the Tribal Educational Specialist.

Note: All benefit information must be reported to the Financial Aid Office.
Federal Financial Aid

Students should complete the FAFSA after October 1 and request that your Student Aid Report be sent to Helena College, Title IV Code 007570. It takes approximately 4 to 6 weeks for a paper FAFSA application to be processed. Applications submitted via the internet take considerably less time (www.fafsa.gov). Students (and parents, if applicable) must have a Federal Student Aid ID (FSA ID) and password to sign the FAFSA electronically (www.faid.ed.gov). Students must re-apply for federal aid each year. Delays in receiving financial aid are often the result of late or incomplete submission of the FAFSA.

Except for the Federal PLUS (Parent) Loan, eligibility for the following indicated federal financial aid resources depends on submission of the FAFSA. The Student Aid Report (SAR), resulting from the FAFSA, provides an expected family contribution (EFC), which is used to determine eligibility for federal need-based financial aid.

1. Federal Pell Grants are awarded to students with exceptional financial need.
   Note: Pell grants are available to all students who are eligible; however, the following grants are awarded on a priority base only.

2. Federal Supplemental Education Opportunity Grant (FSEOG) funds are limited and are available to students with exceptional financial need who have received a Federal Pell Grant.

3. Work-study employment opportunities are available through the need-based Federal Work Study (FWS) as well as the need-based and non-need based State Work Study (MWS) programs. Limited funds are awarded on a first-come, first-served basis, in accordance with College policy. Awards are usually between 10 and 15 hours per week.

4. Loan monies at federally regulated interest rates are available to students and their parents. Federal loans, except the Federal PLUS (Parent) Loan, are awarded on a need and non-need basis as documented through the FAFSA.
   a. Federal Stafford Loan – available to students on either a need (subsidized) or non-need (unsubsidized) basis. Subsidized loans do not require payment of interest by the student so long as the student is attending college at least half-time. The federal government subsidizes the interest burden. Unsubsidized loans require payment or capitalization of interest upon disbursement. Interest rates are set annually in accordance with federal regulations.
   b. Federal PLUS (Parent) Loan – for parents of dependent students who want to borrow to help pay for their student’s education. Interest rates are set annually in accordance with federal regulations.
