HAROLD HAMM SCHOLARSHIP
Application Form
Due Date: April 15, 2016

Scholarships in the amount of $500.00 each are being offered to students currently enrolled, but soon to graduate, in the Aviation Maintenance Technology program at Helena College.

The original intent of the donor of this scholarship was that the monies were to be used by the students to assist in covering the costs of buying tools for use in starting the Aviation Maintenance trade upon graduation.

Application Procedure: Please include this cover sheet and a personal statement summarizing your abilities, future plans, and outstanding, professional qualities and/or awards in the Aviation Maintenance Technology program that qualifies you for this scholarship. Be specific and descriptive in your narrative. Please also include at least one letter of recommendation from a former employer or community member.

Submit all application materials to the Financial Aid Office by April 15, 2016.

The scholarship committee/Helena College may submit a notice of the award to the local newspaper or use the award information in public relations documents. The award information may include your name, program and dollar amount awarded. By signing this form you acknowledge and agree that this information may be disclosed.
