

Library University of Montana – Helena

Annual Report FY09

**Janice Bacino, MLS
Director of Library Services**

Major Accomplishments

Fall Semester

- Obtained furnishings for the new Library, including soft seating and computer stations.
- Developed web-based orientation to library for students and simplified off-campus access to databases with ID authentication.
- Worked with online curriculum committee to improve visibility of library resources for online students.
- Implemented collection of downloadable audiobooks for students, faculty and staff.

Major Accomplishments

Spring Semester

- Completed Standard Five self-study process, including information gathering, meetings, blog discussions, and writing draft report.
- Reconstituted Library Advisory Board with broad-based institutional representation.
- Received Board of Regents approval to institute a student library fee for developing the core collection.
- Participated in citywide “Big Read,” promoting the activities and hosting a community book discussion.
