

Grading Turnitin Assignments Online (GradeMark)

1. Click on the "Turnitin assignment"  activity you are going to view.
2. Click on the  icon below the "Grade" column to open a Turnitin Document Viewer.

2. Click  icon

3. Click on the "GradeMark" button at the upper left will display the student's submission. You may give a score on the upper right corner and you may annotate text on the student file by clicking the  icon. Or, you may click on the "General Comment"  icon at the bottom to give feedback to the student.

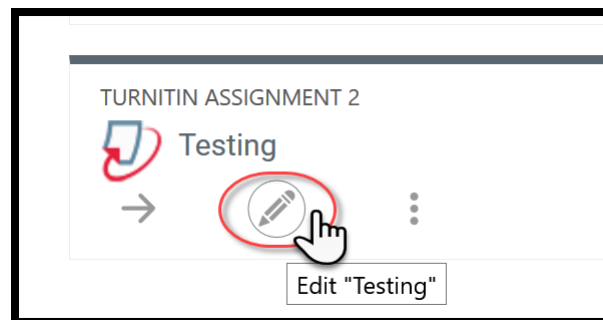

3.1 Click "GradeMark"

3.2 Give score

3.3 Click  icon to annotate text

3.4 Click  icon to give feedback

4. If you want to release grade and feedback to student on a fixed date, you have to edit the Turnitin activity and set the "Assignment Part -> Post Date" accordingly.
