4. Click "Select Content Type" to open the H5P Hub and select "Create Content":

● Create Content O Upload	~	•
Browse content types	All My Content Types	
Search for Content Types	٩	

Once you open the H5P Hub – you will get the list of all content types that are available to use. Click "**Use**" on any content type to proceed to the *Content type details* page.

H-P <sub>hub</sub> Select content type				
⊙ Create	Content O Upload			
Browse content types All My Cont				
Search	for Content Types	٩		
Ĭ	Accordion Create vertically stacked expandable items	♀ Update availa		
<b>(</b> )	<b>Audio</b> Upload an audio recording	C Update available		
	<b>Chart</b> Quickly generate bar and pie charts	2 Update available Use		
	<b>Collage</b> Create a collage of multiple images	2 Update available Use		
	<b>Column</b> Organize H5P content into a column layout	C Update available Use		
<b>?•</b> ≡:	<b>Course Presentation</b> Create a presentation with interactive slides	C Update available Use		
<b>9</b>	Dialog Cards Create text-based turning cards	C Update available Use		
i.	Documentation Tool Create a form wizard with text export	2 Update available Use		

On the *Content type details* page, you can view tutorial or example of that content type. An example of a 'Task description' is also provided for your reference. You can edit it to fit your task.
