How to get started?

After you register:
• Get Net ID #
• Log in

* It could take a couple of days before our systems update.

Text Captions
Asha: After you’ve registered, you can get into our Virtual Campus. You will get a Net ID number that you will need to login. It could take a couple of days before your registration is updated through our systems, so keep that in mind. Here’s how to log in:
Slide 3 - Click Start

Text Captions
Asha: Click on Start.

Slide 4 – All programs

Text Captions
Asha: All programs.
Asha: Mozilla Firefox. In choosing Mozilla Firefox, there are Moodle features that don’t work with other browsers, so be sure you use Mozilla. If you don’t have it, no problem. It’s free and is available right on our website.

Asha: Go to umhelena.edu.
Asha: Go to umhelena.edu. Moodle is the system we use to access Helena College Online. Whenever you need to get into your courses online, you will log into Moodle.

Asha: Then you’ll click on Net ID.
Slide 9 – Login

Asha: And log in. If you don’t have a Net ID, there is information on this page to help you get one.

Slide 10 – Get Started Online

Asha: Once you’ve logged in, then you are now inside Moodle, our virtual campus. The first thing you want to do, is click on Get Started Online. In this, I’ll give you an overview of the things to look for in each course and how to get around Moodle.
But, remember that the courses you have registered for are not available until the day school starts.

Asha: I'll see you again inside Moodle.
