NRSG 251	Complex Care Needs – Adult Client	2/2	Acceptance into RN Program			
NRSG 265	Advanced Clinical Skills	1	Acceptance into RN Program			
NRSG 266	Managed Client Care	2/2	Acceptance into RN Program			
Developmental Coursework:						

Entry into the ASRN program is by application-only in the spring for fall semester. Applications are available through the Nursing Department. The application process includes a LPN STEP pre-entrance exam and a physical examination. Applications are good for current year only. **The application process requires that a student have a current, unencumbered LPN licensure (from any state) and/or is a graduate of the statewide curriculum PN program, and has successfully completed the following coursework with a "C" or better.**

*The prerequisite courses (25 credits) need to be completed prior to application to the nursing program. A prerequisite course may be attempted a maximum of two (2) times. Some developmental coursework may be required prior to taking prerequisite courses, depending upon initial Compass placement scores.

Admission is by application only. Please check with the Nursing Department for current application information. Students-please note! Weekly schedule includes labs, clinical and simulations that cannot be reflected on the course catalog schedule. *Students should plan for 30-40 hours per week.* The Nursing department will supply students with a schedule once admission is determined.
