You are finished!

Pathway Advising Notes: none

Course Advising Notes: CSCI191: Running as special topics initially. Will create course if this works well. New course title would likely be ServiceNow Systems Administration.
CSCI100: Students will utilize JavaScript and TypeScript when taking CSCI100 in for this Pathway.
CSCI291: Running as special topics initially. Will create course if this works well. New course would likely be Low Code Development.
CSCI211: Using dedicated section so that students get exposure to ServiceNow features.
