Pathway Advising Notes: -Classes must be taken in the order outlined on this pathway map, beginning in the fall semester. This includes M111 and COMX106.

-Program requires full-time enrollment.

-In order to advance, all previous semester classes must be passed with a C- or better.

Course Advising Notes: M111: This is the math class recommended for students in skilled trades programs, but other higher math classes may be substituted. Your advisor can help determine placement.

AST103: First automotive class in the sequence. Instils basic skills required for the rest of the automotive classes.

AST130: Foundational class. Provides electrical building blocks for all automotive classes.
