Position Opening

Comprehensive School and Community Treatment Specialist (CSCT) Behavioral Specialist

Full Time Non- Exempt Position – Great Falls

Duties: Include providing school psychoeducational training, support, and guidance for children in a team school setting. The CSCT Specialist will teach parenting, limit-setting, communication, and conflict-resolution skills to parents and children. This person will also coordinate in-home Therapeutic Family Care with case management and psychotherapy services, and may co-facilitate family therapy sessions with TFC Therapists. Bargaining unit position, must participate in the Union pension fund.

Minimum Qualifications: Bachelor's degree in human services or education field preferred, but will look at equivalent experience and training. Extensive experience with children required. Must have a strong knowledge base in the following areas: developmental stages of childhood; discipline, limit-setting, and behavior management issues; parenting strategies that facilitate healthy attachment; family-systems issues; conflict-resolution; and an understanding of the various forms of severe emotional disturbance. Travel required. Must have current MT Drivers License, personal vehicle and current vehicle insurance.

Internal Applicants: Please submit a completed internal Center application, see attached.

External Applicants: Apply on-line at www.center4mh.org. **EOE**

Mission: The Center for Mental Health partners with people and communities to produce exceptional, integrated mental health and substance abuse services.

Vision: "Partnering to Improve Lives"

Beliefs: Ambassador of the Center, Own it, Individuals Matter, Create Joy, Embrace Change, Show Up. Step In.
