Helena College Student ID Number

- I am eligible to receive **CHAPTER** _____ G.I. bill benefits.
- Chapter 1606, 30, and 35 benefits are paid directly to the student and the student is responsible to remit tuition and fees to the college. Payments begin approximately one month after the semester starts.
- If I withdraw from or stop attending classes, I may be required to pay back the tuition and fees for those classes to the Veterans Administration.
- The ultimate responsibility for payment of tuition and fees for each semester enrolled is my responsibility. There will be a hold placed on My HC account preventing me from accessing my transcripts and allowing me to register for any further terms until all of my financial obligations to the college for the current term are met.

NOTE: Be prepared to pay for books/tools at the beginning of the semester. You may qualify for a book/tool voucher if you are eligible for financial aid. Please see the Business Office for assistance.

By signing below, I understand and accept my payment responsibilities.
